On June 23, 2008, an employee at the office of the undersigned checked the status of the Application in the Office's PAIR system, and found that the RCE and Amendment were never entered into the record. A telephone call with Examiner Wu confirmed that the RCE and Amendment had not been processed and the papers were unavailable to Examiner Wu.

Therefore, Applicants respectfully petition the Director to accord the RCE and Amendment a receipt date of April 11, 2008, and have these papers entered and considered on the merits, as a proper and timely response to the January 11, 2008 Office Action. Applicants respectfully submit that no extensions of time are required, since the response was properly filed on April 11, 2008.

If the Office decides that this petition is deficient, the Amendment attached hereto as Exhibit A serves as a response to the January 11, 2008, Office Action and in addition, if this petition is denied, Applicants petition for a three-month extension of time, and authorize the Office to charge the fees for the three-month extension of time to the deposit account listed below.

No fee is believed to be due in connection with this paper. However, if any fee is due in connection with this paper, the undersigned hereby authorizes the Patent Office to charge such fees as are required to Deposit Account 50-3355.

Respectfully submitted,
